Dear Parents:

We are inviting youth in 6<sup>th</sup>-12<sup>th</sup> grade to participate in our program called Troy Rec Community Helpers. This is the third year and we are excited for the opportunities for the kids to participate. The goal of the Troy Rec Community Helpers is to connect the youth that frequent the Rec with businesses and other non-profits in a way that engages them in the community.

Our youth are bright, funny, smart and looking for a way to be relevant in their world. We hope to offer them a purpose by connecting them to businesses and other non-profits and allowing them to use their time and talents for the betterment of the community.

Example of some things that your child will participate in:

- Stuffing envelopes for local non-profits
- Unloading boxes for local businesses
- Stapling programs for a local musical
- Picking up trash around downtown
- Cleaning The Rec (they get it dirty, so they should clean it up!)
- Cleaning the Barn in the Park (Troy Community Theatre)
- Packing weekend food backpacks (United Church of Christ)

This year we are asking students to sign up for the activities and make a commitment to participate on a regular basis.

Please fill out the attached permission form and return it to The Rec if your child will be participating in our program.

Thank you!
